

ASEA Success Webinars

Most ASEA Associates, whether new or old, need ongoing guidance and inspiration to build a successful ASEA business. This series of weekly webinars is intended to help.

We learn from successful leaders, hear business testimonials from rising stars, and enjoy product testimonials. Hosted by Presidential Triple Diamond Trish Schwenkler.

We will be using these "10 POINTS TO SUCCESS" as topics, to expand upon the basic principles found in the ASEA Success Guide:

10 POINTS TO SUCCESS

1. **YOUR WHY:** Find an urgent and emotional dream
2. **ATTITUDE:** Have a positive attitude and an entrepreneurial mindset
3. **LIST:** Write a name list and grow continuously
4. **CREATE INTEREST:** Show sincere interest in other people until they ask about you. And **AFTER** that, tell a **STORY** and invite them to learn more about ASEA
5. **USE A TOOL:** Share a Redox presentation (either in-person meeting, zoom meeting, or recorded webinar link)
6. **FOLLOW UP:** Follow up and follow ups
7. **SUPPORT:** Regular consultation with your active sponsor/upline who is producing results
8. **EVENTS:** Attend live and zoom events
9. **ACTIVE SUBSCRIPTION:** Consistently maintain an active subscription of 100 PV minimum
10. **DUPLICATION:** Repetition of the previous 9 points. Show and teach the previous 9 points to your downline. This is the magic of duplication.
